Sir.

I have the honor to submit herewith an extract of the Proceedings of the Board of 26th June and 11th July 1893 resolving to grant Rs 250/- for the supervision of Conservancy &c, in the Suburbon villages and to request that sanction of Government may be obtained to the same.

The Suburbon villages are scattered over a large area. The Divisional Conservancy Overseers seldom visit the villages in their charge, their time being wholly taken up in attending to the Conservancy

the City proper in their charge —
The sanitation of the Suburbon village
is consequently very much neglected.
The Board has, therefore, resolved
to entrust the work to the Patels
of the respective villages and to
pay them a small remuneration
the details of which will be settled
in consultation with the Amildar
Rs 250/- is considered sufficient
to meet the cost.

This arrangement does not entail
extra expenditure as it is proposed
to be met from the savings re-
-sulting from the abolition of the
Lighting Inspector and four ser-
-vancy Daffedars amounting in
all Rs 26/- a month.
